

## Technical Data

### Integrated Solar Street Light(80W)

### Model:10080

Solar panel	Max Power Life Time	18v 100w(Solarworld monocrystalline 25 years
Battery	Type Life Time	solar energy lithium battery 5 years
Led lamp	Max Power Led chip brand Lumen(LM) Life Time	12v 80w Bridgelux from USA with high brightness 8000-9000lm 50000 hours
Lamps material main	Aluminium Alloy	
Charge time	6 hours(by sun)	
Discharge time	more than 10 hours(full power) more than 24 hours (half power)	
Certificate	CE/ROHS/IP65	
Warranty period	3 years	
Packing& Weight	Product/Packing Size	1210*460*45mm /1320*500*200mm
	Product/Packing Weight	20kg/24.5kg
	Packing Box	neutral for sample, TomFan brand for goods
	Carton Size	1320*500*200mm
	Quantity/Carton	1 sets/carton
Packs Containers	GW.for Carton	24.5kg
	20GP	270 pcs
	40GP	450 pcs
APP bluetooth control		<ol style="list-style-type: none"> <li>1. Pure Time Control Operation Mode Available</li> <li>2. Time Control+Light Sensor Operation Mode Available</li> <li>3. Synchronous Local Time</li> <li>4. Loading Trouble Code</li> <li>5. Count How much Electricity &amp; Fee Saved</li> <li>6. Turn On/Off Light</li> <li>7. Adjust Season and Overycast Backup Days</li> <li>8. Turn On/Off Motion Sensor</li> <li>9. Turn On/Off Camera</li> </ol>
